Gatter, who has been visiting in Los
Angeles the last few days, returned
yesterday afternoon.

MINING ACTIVITY.—President P.
M. Murphy of the S. F. P. & P. rail-
way was a visitor in Phoenix yesterday
afternoon. He left this morning for
his home in Prescott. Mr. Murphy said
the mining conditions in the northern
part of the territory are showing grow-
ing activity especially in the Bradshaw
mountains and in the districts adjoin-
ing.

DENVER MINING MAN.—J. J.
Brown, a mining man of Denver, drove
over in his Pop-Hartford car, with
his chauffeur from Tucson, yesterday
afternoon and will spend the next week
or ten days in Phoenix. The men are
staying at the Hotel Adams. Mr. Brown
has heavy holdings in the gold mines of
Colorado, but has spent several winter
seasons at Tucson.

LECTURE.—Harry P. Lott, super-
intendent of the Pentecostal Rescue
Home for Fallen Girls, Oklahoma City,
Okla., will lecture on the "White Slave
Trade" Sunday, November 26, at 2
p. m. in the county court room. Mr.
Lott has been in the rescue work for
years. He has visited the slums in
the cities of the south and east this
year. The lecture is free and every-
body is invited.

SMELTER MATERIAL TONNAGE.
—An enormous amount of material is
required for the monstrous smelters
which are being built by the American
Smelting and Refining company at
Hayden, and which are to be com-
pleted by the first of next May. In
just four items the material to be
shipped to the smelter site amounts to
250 car loads—among which are a
hundred cars carrying 4000 tons of
steel building material. These are
mere incidental items of the large in-
stitution. Every day there are from
ten to fifteen cars of materials passing
through Tempe or their way to Hay-
den.

**SUNDAY AT THE CHRISTIAN
CHURCH.**—Corner of Fifth Ave. and
Monroe. Bible School 9:45 A. M.
Church service 10:50 A. M. Pastor will
speak from the topic "Bible the Word
of God." Y. P. S. & C. E. 6:30 P. M. C. E.
Carter, president. Evening church ser-
vice 7:30 o'clock. Pastor will speak
from topic "Why Join The Church."
Good music, congregational singing,
chorus and solo.

RUMORED WRECK.—A Phoenix
lady called on The Republican, last
evening and inquired concerning an
accident on the Santa Fe railroad near
Albuquerque. The lady in question had
received a telegram saying that a rela-
tive who was in the wreck had been
badly burned. Nothing had been re-
ceived over the telephone regarding
any such accident up to the time of
going to press.

CERTIFICATES TO TEACH.—The
territorial board of education has
granted a certificate to teach to Sarah
Kettering of Tucson, on a diploma
granted by Cornell college, Iowa, and
regular work in education. The ter-
ritorial board of examiners has ter-
minated certificates on credentials as fol-
lows: H. Warren Saylor of Flagstaff,
on a Utah life diploma; Lawrence El-
mer Goss, on an Indiana state normal
school diploma; Willie Maude Shep-
herd of Duncan, Ariz., on an Arkan-
sas life diploma.

MYSTERIOUS FIRE.—A small fire
in the Mexican settlement near the
corner of Sixth and Jefferson streets
at 3 o'clock yesterday afternoon call-
ed out the hose wagon from the fire
house, but the blaze was extinguished
without aid from the firemen. How
the fire was started or how put out,
was not ascertainable, for the whole
side of the building seemed ablaze
when the alarm was turned in. The
building is a wooden shell, among
a row of others close by, and had
the fire not been subdued as it was,
it might have wiped out a number of
homes in that neighborhood.

NORMALS VS. INDIANS.—The
Normals will meet the Indians on the
Indian School grounds this afternoon
at three o'clock. This will be a sin-
gle game as the Normals are not
playing the girls in the league this
year, so the admission will be only
fifteen cents. The Indians have im-
proved considerably in the last few
weeks and will give the strong Nor-
mal team a good run for the game.
If the Indians win this game they
will still be in a position to win the
cup but if they lose the chances will
be about gone for this year as the
Normals have won four and lost none
while the Indians have won one and
lost two.

Faithful Unto Death, Mendelssohn;

Nation and State," will be given by

Finances and Markets
NEW YORK, Nov. 24.—With no
important new influences to affect the
stock market quotations followed no
well defined trend today. The open-
ing was irregular. For a time
prices rose, but the bulls were un-
able to develop the same amount of
strength as yesterday and the mar-
ket lacked buoyancy. Before long the
list wavered, then fell. Union Pa-
cific and U. S. Steel rose to the
highest price of the present move-
ment, but at the close were a point
or so below yesterday's close. Nearly
all recessions were due to profit tak-
ing. The expectation of a poor show-

ing by tomorrow's bank statement
contributed somewhat to the bullish
sentiment. The known movements
of currency suggest loss of about eight
millions. As the actual surplus re-
serve last week was but little over
ten millions, the loss of eight mil-
lions this week will almost elimi-
nate it. The movement of gold out
of New York continued today, \$800,-
000 being taken for San Francisco.
The money market, however, showed
no re-fection from this and the
rates held steady. Copper showed
the effect of profit taking today and
did not respond to reports of sales
at the highest price touched on the
present movement. Bonds were ac-
tive but irregular. Total sale, per
value, \$5,956,000. Government bonds
unchanged on call.
